Am First I was afraid I was **Dm** petrified

Kept thinking **G** I could never live without you **C** by my side

But then I **F** spent so many nights thinking **Dm** how you did me wrong

And I grew **E** strong and I learned **E7** how to get along

And so you're back **Am** back from outer **Dm** space

I just walked **G** in to find you here with that sad **C** look upon your
face

I should have **F** changed that stupid lock

I should have **Dm** made you leave your key

If I had **E** known for just second you'd be **E7** back to bother me

Go on now **Am** go, walk out the **Dm** door

Just turn **G** around now, cause you're not **C** welcome anymore

F Weren't you the one who tried to **Dm** hurt me with goodbyes?

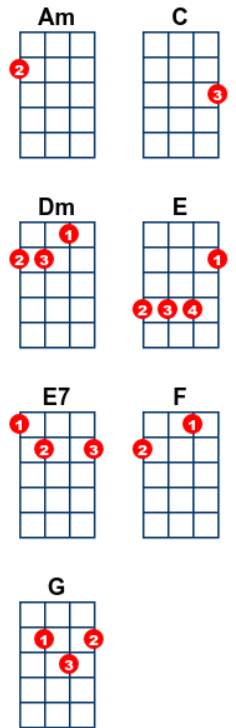

Did you think I'd **E** crumble? Did you think I'd **E7** lay down and die?

Oh no not **Am** I, I will **Dm** survive

For as **G** long as I know how to love I **C** know I'll stay alive

I've got **F** all my life to live, I've got **Dm** all my love to give

And I'll **E** survive, I will **E7** survive—hey hey

Am
First I was afraid I was **Dm**
petrified

G
Kept thinking **C**
I could never live without you **C**
by my side

F
But then I **Dm**
spent so many nights thinking **Dm**
how you did me wrong

E
And I grew **E7**
strong and I learned **E7**
how to get along

Am
It took all the strength I had not to **Dm**
fall apart,

G
Kept trying hard to mend the pieces of my **C**
broken heart

F
And I spent oh so many nights just feeling **Dm**
sorry for myself

E
I used to cry, but now I **E7**
hold my head up high

Am
And you see me, somebody **Dm**
new

G
I'm not that chained up little person still in **C**
love with you

F
And so you felt like dropping in, and just **Dm**
expect me to be free

E
And now I'm savin' all my lovin' for **E7**
someone who's lovin' me

Am
Go on now go, walk out the **Dm**
door

G
Just turn around now, cause you're not **C**
welcome anymore

F
Weren't you the one who tried to **Dm**
hurt me with goodbyes?

E
Did you think I'd crumble? Did you think I'd **E7**
lay down and die?

Am
Oh no not I, I will **Dm**
survive

G
For as long as I know how to love I **C**
know I'll stay alive

F
I've got all my life to live, I've got **Dm**
all my love to give

E
And I'll survive, I will **E7**
survive—hey hey

Am
First I was afraid I was **Dm** petrified

G

F
