

And I Love You So
Don McLean

Key of C

C

v1:

C **Dm** **G7** **C** **Am**
And I love you so, the people ask me how
C **Am** **Dm** **F** **G7** **C**
How I lived til now, I tell them I don't know
Dm **G7** **C**
I guess they understand, how lonely life has been
Am **Dm** **F** **G7** **C**
But life began again, the day you took my hand

chorus:

Am **Dm**
And yes, I know how lonely life can be
F **G7**
The shadows follow me
C **Am**
And the night won't set me free
C **Am** **Dm**
But I won't let the evening get me down
F **G7** **C**
Now that you're around me

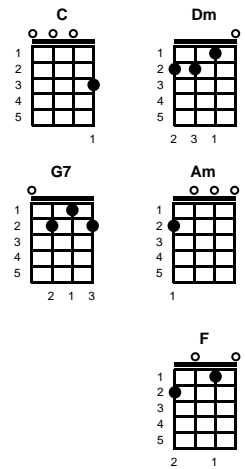

v2:

C **Dm** **G7** **C** **Am**
And you love me too, your thoughts are just for me
C **Am** **Dm** **F** **G7** **C**
You set my spirit free, I'm happy that you do
Dm **G7** **C**
The book of life is brief, and once a page is read
Am **Dm** **F** **G7** **C**
All but life is dead, that is my belief -- **CHORUS**

ending:

C **Dm** **G7** **C**
And I love you so
