

Just Another Woman In Love

Patti Ryan & Wanda Mallette

Key of D

D

v1:

Sometimes I'm sure I'm in control, a lady with a plan
 Believing that life is a neat little package, I hold in my hand
 I've got it together, they call me the girl
 Who knows just what to say and do
 Still I fumble and fall, run into the wall
 Cause when I'm with you... I'm

chorus:

Just another woman in love, a kid out of school
 A fire out of control, just another fool
 You touch me and I'm weak, a feather in the wind
 And I can't wait to feel you touching me again
 With you I'm just another woman
 Just another woman in love

v2:

So pardon me if I should stare and tremble like a child
 That wantin-me look, all over your face is driving me wild
 I'm just what you make me, can't wait til you take me
 And set all my feelings free
 I know that you can, so come be my man
 Tonight I want to be... -- **CHORUS**

ending:

With you I'm just another woman
 Just another woman in love
