[Bronco Theme Song](#) (Lyrics & Guitar Chords) – [Bronco](#) (Classic TV Theme)

## Chorus

**C**        **Am**

Bronco, Bronco,

**G**                                **C**        **G**

Tearin' across the Texas plain,

**C**        **Am**        **G**        **C**

Bronco, Bronco, Bronco Layne.

**C**

Born down around the old Panhandle,  
Texas is where he grew to fame,  
There ain't a horse that he can't handle,

**G**                                **C**

That's how he got his name. **Chorus**

**C**

Next to a four-square Texas twister  
You call a cyclone, meek and mild,  
You've never seen a twister, Mister,

**G**                                **C**

'Till someone gets him riled. **Chorus**

**C**

Here is the gen-er-al consensus  
He is a man who should be feared  
Yes sir, they build their barbed-wire fences

**G**                                **C**

Out of his rough-cut beard. **Chorus**

**C**

Show me a gal who's kissed him once  
I'll show you a gal who's kissed him twice.  
Once any gal has kissed him twice

**G**                                **C**

She's dreamin' of shoes and rice. **Chorus**
