The Big Bang Theory (Ed Robertson / Steven Jay Page)

Our whole universe was in a hot dense state,
 Then nearly fourteen billion years ago
 Expansion started. Wait...
 The Earth began to cool,
 The autotrophs began to drool,
 Neanderthals developed tools,
 We built a wall (we built the pyramids),
 Math, science, history, unraveling the mysteries,
 That all started with the big bang!

"Since the dawn of man" is really not that long,
 As every galaxy was formed
 In less time than it takes to sing this song.
 A fraction of a second
 And the elements were made.
 The bipeds stood up straight,
 The dinosaurs all met their fate,
 They tried to leap but they were late
 And they all died (they froze their asses off)
 The oceans and Pangea
 See ya, wouldn't wanna be ya
 Set in motion by the same big bang!
 It all started with the big BANG!

It's expanding ever outward but one day
 It will pause and start to go the other way,
 Collapsing ever inward, we won't be here,
 It won't be heard
 Our best and brightest figure that
 It'll make an even bigger bang!

C D G D Em (2x)

Australopithecus would really have been sick of us
 Debating how we're here,
 They're catching deer (we're catching viruses)
 Religion or astronomy,
 Descartes or Deuteronomy
 It all started with the big bang!
 Music and mythology, Einstein and astrology
 It all started with the big bang!
 It all started with the big BANG!

Spiderman Theme Song (Bob Harris / Paul Francis Webster)

Am
Spiderman, Spiderman, does whatever a spider can
Dm **Am**
Spins a web any size, catches thieves just like flies
E7 **Am**
Look out, here comes the Spiderman

Am
Is he strong? Listen, bud, he's got radioactive blood
Dm **Am**
Can he swing from a thread? Take a look overhead
E7 **Am**
Hey, there! There goes the Spiderman

G7 **C** **E7** **Am**
In the chill of the night, at the scene of a crime
G7 **C** **Dm** **E7**
Like a streak of light he arrives just in time

Kazoo verse:

Am
Spiderman, Spiderman, friendly neighborhood, Spiderman
Dm **Am**
Wealth and fame, he ignores, action is his reward
E7 **Am**
Look out, here comes the Spiderman

Am
Spiderman, Spiderman, friendly neighborhood, Spiderman
Dm **Am**
Wealth and fame, he ignores, action is his reward
E7 **Am** **E7** **Am**
To him, life is a great big bang up, whenever there's a hang up,
E7 **Am**
You'll find the Spiderman
E7 **A9 (played like E7, but lift middle finger)**
You'll find the Spiderman!

Suicide is Painless (Johnny Mandel and Mike Altman, 1970)

Theme from M.A.S.H. - Key Am

Intro: Am

Dm7 **G7** **C** **Am**
 Through early morning fog I see, visions of the things to be
Dm **G7** **C** **Am7** **A7**
 The pains that are with-held for me, I realize and I can see,

Refrain

Dm7 **G7** **C** **Am7**
 That suicide is painless, it brings on many changes
Fmaj7 **Em** **Dm** **G7** **Am** **Am**
 And I can take or leave it if I please

Dm7 **G7** **C** **Am**
 I try to find a way to make all our little joys relate
Dm **G7** **C** **Am7** **A7**
 Without that ever present hate. But now I know that it's too late, and,

Refrain

Dm7 **G7** **C** **Am7**
 The game of life is hard to play, I'm gonna lose it anyway
Dm **G7** **C** **Am7** **A7**
 The losing card I'll someday lay, so this is all I have to say . **Refrain**

Dm7 **G7** **C** **Am7**
 The only way to win is cheat, and lay it down before I'm beat
Dm **G7** **C** **Am7** **A7**
 And to another give my seat for that's the only painless feat . **Refrain**

Dm7 **G7** **C** **Am7**
 The sword of time will pierce our skins, it doesn't hurt when it begins
Dm **G7** **C** **Am7** **A7**
 But as it works its way on in the pain grows stronger watch it grin, **Refrain**

Dm7 **G7** **C** **Am7**
 A brave man once requested me to answer questions that are key
Dm **G7** **C** **Am7** **A7**
 Is it to be or not to be ? And I replied 'Oh, why ask me?' **Refrain**

Em **Dm** **G7** **Am** **Am**
 And you can do the same thing, if you please.
