[Bronco Theme Song](#) (Lyrics & Guitar Chords) – [Bronco](#) (Classic TV Theme)

Chorus

C **Am** **G** **C** **G**
Bronco, Bronco, Tearin' across the Texas plain,
C **Am** **G** **C**
Bronco, Bronco, Bronco Layne.

C
Born down around the old Panhandle,
Texas is where he grew to fame,
There ain't a horse that he can't handle,
G **C**
That's how he got his name. **Chorus**

C
Next to a four-square Texas twister
You call a cyclone, meek and mild,
You've never seen a twister, Mister,
G **C**
'Till someone gets him riled. **Chorus**

C
Here is the gen-er-al consensus
He is a man who should be feared
Yes sir, they build their barbed-wire fences
G **C**
Out of his rough-cut beard. **Chorus**

C
Show me a gal who's kissed him once
I'll show you a gal who's kissed him twice.
Once any gal has kissed him twice
G **C**
She's dreamin' of shoes and rice. **Chorus**
