## The Legend of Wyatt Earp

The Legend of Wyatt Earp by Eamonn Andrews (1956)

**C**

I'll tell you a story, a real life true story

**G**

A tale of the Western Frontier

**C**

The West, it was lawless, but one man was flawless

**G**

**C**

**C7**

And his is the story you'll hear

### **Chorus**

**C7 F C Bb F**

Ohhhh Wyatt Earp, Wyatt Earp.

**C**

Brave, courageous and bold

**F C Bb F**

Long live his fame and long live his glory

**C**

**F**

And long may his story be told

**C**

When he came to Kansas, to settle in Kansas

**G**

He planned on a peaceable life

**C**

Some goods and some chattel, a few head of cattle

**G**

**C**

**C7**

A home and a sweet lovin' wife. **Chorus**

**C**

Now he wasn't partial to being a Marshal,

**G**

But Fate went and dealt him his hand

**C**

While outlaws were lootin', and killin' and shootin'

**G**

**C**

**C7**

He knew that he must take a stand. **Chorus**

**C**

Well, he cleaned up the country, the Old Wild West country

**G**

He made law and order prevail

**C**

And none can deny it, the legend of Wyatt

**G**

**C**

**C7**

Forever will live on the trail. **Chorus**
