If You Love Me (Let Me Know)

John Rostill

G

v1:

G   **D7**   **G**
You came when I was happy in your sunshine

                                   G7   **C**
I grew to love you more each passing day

                                                      G
Before too long I built my world around you

          D7   **G**   **C**   **G**
And I prayed you'd love enough of me to stay

chorus:

G7   **C**   **G**
If you love me let me know, if you don't then let me go

              D7   **G**
I can't take another minute, of the day without you in it

G7   **C**   **G**
If you love me let it be, if you don't then set me free

                        D7   **C**   **G**
Take these chains away that keep me loving you

v2:

        G   **D7**   **G**
The arms that open wide to hold me closer

                                      G7   **C**
The hands that run their fingers through my hair

                                                   G
The smile that says hello, it's good to see you
        Am   **C**   **D7**
Anytime I turn around to find you there

v3:

        G   **D7**   **G**
It's this and so much more that makes me love you

                          G7   **C**
What else can I do to make you see

                                                   G
You know you have whatever's mine to give you

          Am   **D7**   **G**   **C**   **G**
But a love affair for one can never be   -- CHORUS

ending:

                D7   **C**   **G**
Take these chains away that keep me loving you
