    7     7/    9    9/    2    2/    9    9/
```

```
        2           2         2     2           4      4      4     4
Close your eyes, close the door,     You don't have to worry anymore.
            7           7         9     9              2      2      9     9
    Cause  I'll              be your.        baby tonight
```

```
        2           2         2     2           4      4      4     4
    Shut the light, shut the shade,       You don't have to be afraid.
            7           7         9     9              2      2      9     9
        Cause  I'll          be your.        baby tonight
```

```
        7                 7
Well, that mockingbird's gonna sail away,
            2                 2
                We're gonna forget it.
        4                 4
Well the big, fat moon is gonna shine like a spoon,
        9   (mute)           9 (mute)
But we're gonna let it,          You won't regret it.
```

```
        2           2         2     2           4      4      4     4
Kick your shoes off, do not fear,            Bring that bottle over here.
            7           7         9     9              2      2      9     9
        Cause  I'll            be your.           baby tonight
```
