C                      Am                      C                      Am

Well I've heard there was a secret chord, that David played and it pleased the Lord,  
 F                      G                      C                      G  
 But you don't really care for music, do you?  
 C                      F                      G                      Am                      F  
 It goes like this, the fourth, the fifth, the minor fall and the major lift,  
 G                      E7                      Am  
 The baffled king com - posing Halle - lujah,

**Chorus**

F                      Am  
 Halle - lujah, Halle - lujah,

 Halle - lujah, Halle-lu--- --- jah.

C                      Am                      C                      Am

Your faith was strong but you needed proof, you saw her bathing on the roof,  
 F                      G                      C                      G  
 Her beauty and the moonlight over-threw you,  
 C                      F                      G                      Am                      F  
 She tied you to her kitchen chair, she broke your throne and she cut your hair,  
 G                      E7                      Am  
 And from your lips she drew the Halle – lujah, **Chorus**

C                      Am                      C                      Am

Baby I have been here before. I know this room, I've walked this floor.  
 F                      G                      C                      G  
 I used to live a-lone before I knew you.  
 C                      F                      G                      Am                      F  
 I've seen your flag on the marble arch. Love is not a victory march.  
 G                      E7                      Am  
 It's a cold and it's a broken Halle – lujah. **Chorus**

**C** **Am**  
 There was a time when you let me know,

 It doesn't matter which you heard.

G                      Em                      G                      Em

Well I've heard there was a secret chord, that David played and it pleased the Lord,

C                      D                      G                      D

But you don't really care for music, do you?

G                      C                      D                      Em                      C

It goes like this, the fourth, the fifth, the minor fall and the major lift,

D                      B7                      Em

The baffled king com - posing Halle - lujah,

**Chorus**

Your faith was strong but you needed proof, you saw her bathing on the roof,

C                      D                      G                      D

Her beauty and the moonlight over-threw you,

G                      C                      D                      Em                      C

She tied you to her kitchen chair, she broke your throne and she cut your hair,

D                      B7                      Em

And from your lips she drew the Halle - lujah, **Chorus**

G                      Em                      G                      Em

Baby I have been here before. I know this room, I've walked this floor.

C                      D                      G                      D

I used to live a-lone before I knew you.

G                      C                      D                      Em                      C

I've seen your flag on the marble arch. Love is not a victory march.

D                      B7                      Em

It's a cold and it's a broken Halle - lujah. **Chorus.**

**G** **Em**  
 There was a time when you let me know,

**Note:** There is a hoax that periodically appears on the World Wide Web concerning this parody. The story asserts that Julie Andrews sang this song at Radio City Music Hall for the benefit of the AARP. Not true. These lyrics first appeared in a 2001 Usenet group, four years after Julie Andrews underwent botched surgery on her vocal cords which resulted in the loss of her magnificent four-octave singing voice. As a result of subsequent surgeries, her speaking voice has been repaired, and she continues to have an active career. The hoax first appeared in July 2001. **Note:** There is a hoax that periodically appears on the World Wide Web concerning this parody. The story asserts that Julie Andrews sang this song at Radio City Music Hall for the benefit of the AARP. Not true. These lyrics first appeared in a 2001 Usenet group, four years after Julie Andrews underwent botched surgery on her vocal cords which resulted in the loss of her magnificent four-octave singing voice. As a result of subsequent surgeries, her speaking voice has been repaired, and she continues to have an active career. The hoax first appeared in July 2001. ## The No No Song (David P. Jackson, Jr. & Hoyt Wayne Axton, 1974) Key C

**C**  
A lady that I know just came from Columbia,  
**F** **C**  
She smiled because I did not understand.

**F**  
Then she held out some marijuana, ha ha!  
**G7** **C**  
She said it was the best in all the land.

And I said,

**C**  
No, no, no, no, I don't smoke it no more.

**G7**  
I'm tired of waking up on the floor.

No, thank you, please, it only makes me sneeze,  
**C**  
and then it makes it hard to find the door.

**C**  
A woman that I know just came from Majorca,  
in Spain.

**F** **C**  
She smiled because I did not understand.

**F**  
Then she held out a ten pound bag of cocaine,  
**G7** **C**  
She said it was the finest in the land.

And I said...

**C**  
No, no, no, no, I don't sniff it no more.

**G7**  
I'm tired of waking up on the floor.

No, thank you, please, it only makes me sneeze,  
**C**  
and then it makes it hard to find the door.

**C**  
A man I know just came from Nashville,  
Tennessee, oh.

**F** **C**  
He smiled because I did not understand.

**F**  
Then he held out some moonshine whiskey, oh  
ho,

**G7** **C**  
he said it was the best in all the land.

And I said..

**C**  
No, no, no, no, I don't drink it no more.

**G7**  
I'm tired of waking up on the floor.

No, thank you, please, it only makes me sneeze,  
**C**  
and then it makes it hard to find the door.

Well, I said...

**C**  
No, no, no, no, I can't take it no more.

**G7**  
I'm tired of waking up on the floor.

No, thank you, please, it only makes me sneeze,

### Yellow Bird

(Michel Mauléart Monton / Oswald Durand) (English lyrics by Alan and Marilyn Bergman)

**C**                    **G7**                    **C**  
 Yellow bird, up high in banana tree.  
                          **G7**                    **C**  
 Yellow bird, you sit all alone like me.  
**F**                    **C**  
 Did you lady friend leave the nest again?  
**G7**                    **C**  
 That is very sad, makes me feel so bad.  
**F**                    **C**  
 You can fly away, in the sky away.  
**G7**                    **C**  
 You more lucky than me.

**F**                    **G7**                    **C**  
 I also had a pretty girl, she's not with me today.  
    **F**  
 They're all the same those pretty girls.  
**G7**                    **C**  
 Take tenderness, then they fly away.

**C**                    **G7**                    **C**  
 Yellow bird, up high in banana tree.  
                          **G7**                    **C**  
 Yellow bird, you sit all alone like me.  
**F**                    **C**  
 Better fly away, in the sky away  
**G7**                    **C**  
 Picker coming soon, pick from night to noon  
**F**                    **C**  
 Black and yellow you, like banana too  
**G7**                    **C**  
 They might pick you someday

**F**                    **G7**  
 Wish that I were a yellow bird, I'd fly away with you.  
                          **F**                    **G7**                    **C**  
 But I am not a yellow bird, so here I sit - nothing I can do.  
**C**  
 Yell ow bird, yellow bird, yellow bird

 And that is when my happiness starts

## (Chorus)

C C7  
 If sad and lonely, or broken hearted  
 F C  
 By someone's un-kind word or deed  
 F C  
 Just go and find you a ukulele  
 C G7 C  
 That is all you'll e-ver need.

## (Chorus)

C C7  
 To be beholden, true love is golden  
 F C  
 It calms the soul and warms the heart  
 F C  
 So sing a love song with ukulele  
 C G7 C  
 You'll be sure to make lots of sparks

C C7  
 You are my sunshine, my only sunshine  
 F C  
 You make me happy when skies are grey  
 F C  
 You never know, dear, how much I love you  
 C G7 C  
 Please don't take my sunshine away  
 C G7 C  
 Please don't take my sunshine away
