Foreword

This listing of songs is a compilation of the tables of contents from several songbooks that have been created for or distributed to the UkeQuestors Ukulele group, Huntsville, Ala. It also includes songs that were included in the playlists of two ukulele festivals, as well as songs that were proposed for playlists or otherwise distributed to members of this group at the weekly sessions held on Sundays at the Huntsville-Madison County Main Library. The "nn" following some abbreviations for source indicates the song number or page on which the song is found in a given collection.

This is not a complete record of the songs of this group as the compiler of these lists joined about a year after the group formed.

The "Zoom Jam Sessions" were begun when the Huntsville Library closed due to the COVID-19 pandemic. These sessions, held on Sunday afternoon, are on-line at Zoom.com.

All songs can be found on the website MusicAndMore.info, maintained by one of our members. Links to specific collections are in the text. Additional [Ukulele Websites & Resources](#) are also available at that site as are additional songbooks from specific events such as "Uke On The Mountain" and "Uke On The River" (2019), plus playlists and handouts at Ukulele Festivals in northern Alabama. Likewise, there are collections in "landscape" format for those who are transitioning from paper binders to electronic tablets, phones or laptops.

As a convenience to those looking for songs to perform on "[Play Music On The Porch Day](#)", I've added separate chapters for the Tennessee Valley Uke Club Songbook, v. 2.2.5., Uke On The Mountain (2018), and Uke On The River (2019).
