

I'm So Lonesome I Could Cry (Hank Williams) (G)

(3/4 time)

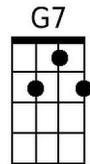

G
Hear that lonesome whippoorwill

He sounds too blue to fly

G7

C **G**
The midnight train is whining low

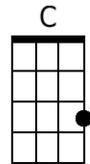

D7 **G**
I'm so lonesome I could cry

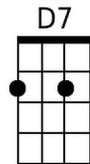

G
I've never seen a night so long

G7

When time goes crawling by
C **G**
The moon just went behind a cloud
D7 **G**
To hide its face and cry

G
Did you ever see a robin weep
G7
When leaves begin to die
C **G**
That means he's lost the will to live
D7 **G**
I'm so lonesome I could cry

G
The silence of a falling star
G7
Lights up a purple sky
C **G**
And as I wonder where you are
D7 **G**
I'm so lonesome I could cry
