

Some Enchanted Evening (Rodgers & Hammerstein) (C)

Some Enchanted Evening by Perry Como

C **D** **G**
Some enchanted evening, you may see a stranger.

C **F**
You may see a stranger a-cross a crowded room.

C **Dm** **Am**
And somehow you know, you know even then,

F **Dm** **G** **C** **G**
That somewhere you'll see her a-gain and a-gain.

C **D** **G**
Some enchanted evening, someone may be laughing.

C **F**
You may hear her laughing, across a crowded room.

C **Dm** **G** **C**
And night after night, as strange as it seems,

F **Dm** **G** **C**
The sounds of her laughter will sing in your dreams.

Em **Dm** **C** **F** **G** **C** **F**

G **Em** **C**
Who can ex-plain it, who can tell you why?

G **C** **D** **G**
Fools give you reasons, wise men never try.

C **D** **G**
Some enchanted evening, when you find your true love

C **C** **F**
When you feel her call you a-cross a crowded room.

Em **Dm** **G** **C**
Then fly to her side and make her your own,

Em **Dm** **C**
Or all through your life you may dream all a-lone.
