# The Sound of Music (Richard Rogers and Oscar Hammerstein II, 1959) (F)

```
      F                          E
The hills are alive with the sound of music
      Dm                            Bb   Bº7
With songs they have sung for a thousand years
      F                           E
The hills fill my heart with the sound of music
      F          Bb          C7     F
My heart wants to sing every song it hears.

               Bb            C#º7         F
      My heart wants to beat like the wings of the birds that rise
               Bb  C      F
      From the lake to the trees (to the trees)
          Bb             A7         F
      My heart wants to sigh like a chime that flies
             G7           C7
      From a church on a breeze
          Bb          C#º7          F              Bb      C7    F
      To laugh like a brook when it trips and falls over stones on its way
      (on its way)
          Dm            Am         Dm7         G7          C    C7
      To sing through the night like a lark who is learning to pray

  F                          E
I go to the hills when my heart is lonely
  Dm                             Bb    Bº7
I know I will hear what I've heard be-fore
      F               Am              Bb    Gm7
My heart will be blessed with the sound of music
        Am - C        C7        F
And  I'll  si ---ing------ once------ more
