North Shore Serenade (Na Leo Pilimehana) Key C

C

Come along take a ride to the Isle's north side

Through the winding ironwood trees

But be sure to take care no one follows you there

As you're drifting along with the breeze

For if anyone knew where I'm taking you to

They'd surely never depart

The magical coast that I love the most

Nearest and dearest my heart

Chorus:

Oh my oh me oh, take me down to the North Shore

Where the white sand rolls in the pounding surf

Yeah, why don't we go, way on out to the North Shore

Where the sky is blue and the ocean is too

Nearest to Heaven on Earth

Turn up the tunes, settle in for the ride

And follow the sinking sun

From the top of the hill the surf's breaking still

And my nerves gently start to unwind

Every mile that I drive brings me closer to where I've

Always known I should be

It's not a big city but the sugar cane's pretty

My beautiful home by the sea

(Chorus)

Ooooo—la la la la la North Shore (3x to fade)
