# Rhythm of the Rain (John C. Gummoe, 1962)   Key C

Intro: C Am C G7

```
C                            F
Listen to the rhythm of the falling rain
C                              G7
Telling me just what a fool I've been
 C                                    F
I wish that it would go and let me cry in vain
       C          G7    C    G7
And let me be alone again
```

Chorus:

```
        C                        F
The only girl I care about has gone away
C                          G7
Looking for a brand new start
     C                                  F
But little does she know that when she left that day
C                        G7        C    C7
Along with her she took my heart
```

```
F                          Em
Rain please tell me now does that seem fair
   F                              C
For her to steal my heart away when she don't care
 Am                    F          G7         C  G7
I can't love another when my heart's somewhere far away
```

(Chorus)

Instrumental verse.

```
F                        Em
Rain won't you tell her that I love her so
F                        C
Please ask the sun to set her heart aglow
Am                    F        G7          C   G7
Rain in her heart and let the love we knew start to grow.
```
(First Verse)

Outro: (repeat to fade)

```
C                    F    C              G7
Oh listen to the falling rain, pitter patter, pitter patter, oh oh oh.
C                        F    C              G7
Listen, listen to the falling rain, pitter patter, pitter patter, oh oh oh.
