

Memory (Andrew Lloyd Webber)

C **Am**
Midnight, not a sound on the pavement

F
Has the moon lost a memory?

Em
She is smiling alone

Dm
In the lamplight the withered leaves

Am
collect at my feet

G **C**
And the wind begins to moan

C **Am**
Memory, all alone in the moonlight

F
I can smile at the old days

Em
I was beautiful then

Dm **Am**
I remember the time I knew what happiness was

G **C**
Let the memory live again

Em **F** **Em** **F**
Every street lamp seems to beat

Em **C** **G**
A fainter listening warning

Em **D**
Someone mutters and a street lamp flutters

Em **C** **D**
And soon it will be morning

C **Am**
Daylight, I must wait for the sunrise

F
I must think of a new life

Em
And I mustn't give in

Dm
When the dawn comes

Am
Tonight will be a memory too

G **C**
And a new day will begin

Em **F** **Em** **F**
Burnt out ends of smoky days

Em **C** **G**
The stale cold smell of morning

Em **D**
A street lamp dies another night is over

Em **A7** **D**
Another day is dawning

G **Em**
Touch me, it's so easy to leave me

C
All alone with the memory

Bm
Of my days in the sun

Am
If you touch me

Em
You'll understand what happiness is

D **G**
Look, a new day has begun
