

The Impossible Dream (Joe Darion / Mitchell Leigh) Key C

C **Cmaj7**
 To dream - the impossible dream
F **Dm**
 To fight the unbeatable foe
Em **F**
 To bear with unbearable sorrow
Dm **G**
 To run where the brave dare not go

C **Cmaj7**
 To right the un-rightable wrong
F **Dm**
 To love pure and chaste from afar
Em **F**
 To try when your arms are too weary
Dm **G**
 To reach the unreachable star

Chorus:

C **Am**
 This is my quest, to follow that star
Em **F**
 No matter how hopeless, no matter how far
Am
 To fight for the right –
F
 Without question or pause
C **Am**
 To be willing to march into Hell
F **Bb**
 For a heavenly cause
Dm **Bb**
 And I know if I'll only be true –
Em
 To this glorious quest
F **Dm**
 That my heart will lay peaceful and calm
E7 **G** **G7**
 When I'm laid to my rest

C **Cmaj7**
 And the world will be better for this
F
 That one man,
Dm
 Scorned and covered with scars
Em **F**
 Still strove with his last ounce of courage
Dm **G**
 To reach the unreachable star

(Chorus)

C **Cmaj7**
 And the world will be better for this
F
 That one man,
Dm
 Scorned and covered with scars
Em **F**
 Still strove with his last ounce of courage
C **Em** **C**
 To reach the unreachable star
