# Deep Purple (Peter DeRose / Mitchell Parish) (C)

Intro: First 2 lines of verse.

**G7**      **C**                  **A7**      **Dm**                  **G7**  
When the deep purple falls, over sleepy garden walls.

**C**                  **Gm**                  **A7**  
And the stars begin to twinkle in the sky-eye-eye-eye.

**A7**                  **Dm**      **Fm**      **C**                  **D#dim**  
Through the mist of a memory, you wander back to me,

**Dm**                  **G7**                  **C**                  **G7**  
Breathe..ing my name with a sigh- eye-eye-eye.

**G7**      **C**                  **Gdim**      **Dm**                  **G7**  
In the still of the night, once a-gain I hold you tight.

**C**                  **Gm**                  **A7**  
Though you're gone, your love lives on when moonlight beams.

**A7**      **Dm**                  **Fm**                  **C**                  **D#dim**  
And as long as my heart will beat, sweet lover, we'll always meet,

**Dm**                  **G7**                  **C**                  **G7**  
Here in my deep purple dreams.

**(Repeat From Top)**

**Outro**

**A7**      **Dm**                  **Fm**                  **C**                  **D#dim**  
And as long as my heart will beat, sweet lover, we'll always meet,

**Dm**                  **G7**                  **Fm**      **C**  
Here in my deep purple dreams.

# Down in the Boondocks

527

Intro: C

**Chorus:**

**C** **F**  
 Down in the boondocks, down in the boondocks  
**G7** **F** **C**  
 People put me down 'cause that's the side of town I was born in  
**F**  
 I love her, she loves me but I don't fit her society  
**G7** **F** **C**  
 Lord have mercy on the boy from down in the boondocks

**C** **F** **C**  
 Every night I watch the light of the house up on the hill  
**F** **E7** **Am**  
 I love a little girl that lives up there and I guess I always will  
**F** **G7** **F** **G7**  
 But I don't dare knock on her door 'cause her daddy is my boss man  
**F** **G7** **F** **G7**  
 So I'll just have to be content to see her whenever I can

**(Chorus)**

**C** **F** **C**  
 One fine day I'll find a way to move from this old shack  
**F** **E7** **Am**  
 I'll hold my head up like a king and I never, never will look back  
**F** **G7** **F** **G7**  
 Until that morning I'll work and slave and I'll save every dime  
**F** **G7** **F** **G7**  
 But tonight she'll have to steal away to see me one more time

**(Chorus)**

**G7** **F** **C**  
 Lord have mercy on the boy from down in the boondocks  
**G7** **F** **C**  
 Lord have mercy on the boy from down in the boondocks

## Gentle on My Mind (John Hartford) Key C

**C** **Em** **C** **Em** **Dm**  
 It's knowing that your door is always open and your path is free to walk

**G** **C** **Em** **C** **Em**

That makes me tend to leave my sleeping bag rolled up and stashed behind your couch

**C** **Em** **C** **Em**  
 And it's knowing I'm not shackled by forgotten words and bonds

**C** **Em** **Dm**  
 And the ink stains that have dried upon some line  
 That keeps you in the backroads by the rivers of my mem'ry

**G** **C** **Em** **C** **Em**

That keeps you ever gentle on my mind

**C** **Em** **C** **Em** **Dm**  
 It's not clinging to the rocks and ivy planted on their columns now that binds me

**G** **C** **Em** **C** **Em**

Or something that somebody said because they thought we fit together walking

**C** **Em** **C** **Em**  
 It's just knowing that the world will not be cursing or forgiving

**C** **Em** **Dm**  
 When I walk along some railroad track and find  
 That you are moving on the backroads by the rivers of my mem'ry

**G** **C** **Em** **C** **Em**

And for hours you're just gentle on my mind

**C** **Em** **C** **Em** **Dm**  
 Though the wheatfields and the clotheslines and the junkyards and the highways come between us

**G** **C** **Em** **C** **Em**

And some other woman crying to her mother 'cause she turned and I was gone

**C** **Em** **C** **Em**  
 I still might run in silence tears of joy might stain my face

**C** **Em** **Dm**  
 And the summer sun might burn me 'til I'm blind  
 But not to where I cannot see you walkin' on the backroads

**G** **C** **Em** **C** **Em**

By the rivers flowing gentle on my mind

**C** **Em** **C** **Em** **Dm**  
 I dip my cup of soup back from the gurglin', cracklin' caldron in some train yard

**G** **C** **Em** **C** **Em**

My beard a-rufflin' cold cowl and a dirty hat pulled low across my face

**C** **Em**  
 Through cupped hands 'round a tin can

**C** **Em** **Dm**  
 I pretend I hold you to my breast and find  
 That you're waving from the backroads, by the rivers of my mem'ry

# Just Another Woman In Love

Patti Ryan & Wanda Mallette

Key of D

**D**

**v1:**

Sometimes I'm sure I'm in control, a lady with a plan  
 Believing that life is a neat little package, I hold in my hand  
 I've got it together, they call me the girl  
 Who knows just what to say and do  
 Still I fumble and fall, run into the wall  
 Cause when I'm with you... I'm

**chorus:**

Just another woman in love, a kid out of school  
 A fire out of control, just another fool  
 You touch me and I'm weak, a feather in the wind  
 And I can't wait to feel you touching me again  
 With you I'm just another woman  
 Just another woman in love

**v2:**

So pardon me if I should stare and tremble like a child  
 That wantin-me look, all over your face is driving me wild  
 I'm just what you make me, can't wait til you take me  
 And set all my feelings free  
 I know that you can, so come be my man  
 Tonight I want to be... -- **CHORUS**

**ending:**

With you I'm just another woman

## Intro: Chords for last 3 lines of chorus

**C**  
 There's a reason for the sunshiny sky  
 There's a reason why I'm, feeling so high  
**G** **C**  
 Must be the season when those love lights shine all around us  
 So let that feeling grab you deep inside  
 And send you reeling where your love can't hide  
**G** **C** **C7**  
 And then go stealing through the moonlit night with your lover

## Chorus:

**F**  
 Just let your love flow like a mountain stream  
**C**  
 And let your love grow with the smallest of dreams  
**G** **C** **C7**  
 And let your love show and you'll know what I mean- it's the season  
**F**  
 Let your love fly like a bird on the wing  
**C**  
 And let your love bind you to all living things  
**G** **C**  
 And let your love shine and you'll know what I mean- that's the reason

**C**  
 There's a reason for the warm sweet nights  
 And there's a reason for the candle lights

## Tell Laura I Love Her (Jeff Barry / Ben Raleigh) Key G

**G** **C**  
 Laura and Tommy were lovers,  
**G** **C**  
 He wanted to give her everything,  
**Em** **Am**  
 Flowers, presents,  
**D** **D7**  
 And most of all a wedding-ring.

**G** **C**  
 He saw a sign for a stock-car race,  
**G** **C**  
 A thousand dollar prize it read.  
**Em** **Am**  
 He couldn't get Laura on the phone,  
**D** **D7**  
 So to her mother Tommy said.

**G** **Am**  
 Tell Laura, I love her, tell Laura, I need her,  
**G**  
 Tell Laura, I may be late,  
**Am** **D** **G**  
 I've got something to do, that cannot wait.

**G** **C**  
 He drove his car to the racing ground,  
**G** **C**  
 He was the youngest driver there.  
**Em** **Am**  
 The crowd roared as they started the race,  
**D** **D7**  
 Round the track they drove at a deadly pace.

**G** **C**  
 No-one knows what happened that day,  
**G** **C**  
 How his car overturned in flames.  
**Em** **Am**  
 But as they pulled him from the twisted wreck,  
**D** **D7**  
 With his dying breath they heard him say.

**G** **Am**  
 Tell Laura, I love her, tell Laura, I need her,  
**G** **Am**  
 Tell Laura not to cry, my love for her –  
**D** **G**  
 Will never die.

**G** **C**  
 Now in the chapel Laura prays,  
**G** **C**  
 For her Tommy who passed away,  
**Em** **Am**  
 It was just for Laura he lived and died,  
**D** **D7**  
 Alone in the chapel she can hear him cry.

**G** **Am**  
 Tell Laura, I love her, tell Laura, I need her,  
**G** **Am**  
 Tell Laura not to cry, my love for her –  
**D** **G**  
 Will never die.

**Intro: G D C D**

**G** **D**  
It's late in the evening  
**C** **D**  
She's wondering what clothes to wear

And brushes her long blonde hair

Do I look alright?

I feel wonderful

So I give her the car keys  
**C** **D**  
She helps me to bed

As I turn out the light

I say my darling, you were wonderful tonight

**Bm Em D**

**C** **D** **G**
