Em Dm Em F G7  
We try to talk it over, but the words come out too rough

C Dm C G7  
I know you were trying to give me the best of your love

C Dm  
Beautiful faces, and loud empty places, look at the way that we live

C Dm  
Wasting our time on cheap talk and wine, left us so little to give

Em Dm Em F G7  
That same old crowd was like a cold dark cloud that we could never rise above

C Dm C G7  
But here in my heart, I give you the best of my love

**Chorus:**

C Dm  
Oh-oh-oh ohhhh, sweet darlin', you get the best of my love

C Dm

# Just Another Woman In Love

Patti Ryan & Wanda Mallette

Key of D

**D**

**v1:**

Sometimes I'm sure I'm in control, a lady with a plan  
 Believing that life is a neat little package, I hold in my hand  
 I've got it together, they call me the girl  
 Who knows just what to say and do  
 Still I fumble and fall, run into the wall  
 Cause when I'm with you... I'm

**chorus:**

Just another woman in love, a kid out of school  
 A fire out of control, just another fool  
 You touch me and I'm weak, a feather in the wind  
 And I can't wait to feel you touching me again  
 With you I'm just another woman  
 Just another woman in love

**v2:**

So pardon me if I should stare and tremble like a child  
 That wantin-me look, all over your face is driving me wild  
 I'm just what you make me, can't wait til you take me  
 And set all my feelings free  
 I know that you can, so come be my man  
 Tonight I want to be... -- **CHORUS**

## Let Your Love Flow

### Intro: Chords for last 3 lines of chorus

**C**  
 There's a reason for the sunshiny sky  
 There's a reason why I'm, feeling so high  
**G** **C**  
 Must be the season when those love lights shine all around us  
 So let that feeling grab you deep inside  
 And send you reeling where your love can't hide  
**G** **C** **C7**  
 And then go stealing through the moonlit night with your lover

### Chorus:

**F**  
 Just let your love flow like a mountain stream  
**C**  
 And let your love grow with the smallest of dreams  
**G** **C** **C7**  
 And let your love show and you'll know what I mean- it's the season  
**F**  
 Let your love fly like a bird on the wing  
**C**  
 And let your love bind you to all living things  
**G** **C**  
 And let your love shine and you'll know what I mean- that's the reason

**C**  
 There's a reason for the warm sweet nights  
 And there's a reason for the candle lights  
**G** **C**  
 Must be the season when those love lights shine all around us  
 So let that wonder take you into space  
 And lay you under its loving embrace  
**G** **C** **C7**  
 Just feel the thunder as it warms your face- you can't hold back

**G** **C** **G** **C**  
 Who can turn the world on with her smile?  
**G** **Em** **Am** **D**  
 Who can take a nothing day, and suddenly make it all seem worthwhile?  
**Em** **C**  
 Well it's you girl, and you should know it  
**Am** **D**  
 With each glance and every little movement you show it

### Chorus:

**G** **C**  
 Love is all around, no need to waste it  
**G** **C**  
 You can have the town, why don't you take it  
**G** **Em** **C** **D** **G**  
 You're gonna make it after all  
**G** **Em** **C** **D** **G**  
 You're gonna make it after all

**G** **C** **G** **C**  
 How will you make it on your own?  
**G** **Em** **Am** **D**  
 This world is awfully big, girl this time you're all alone  
**Em** **C**  
 But it's time you started living  
**Am** **D**  
 It's time you let someone else do some giving

### (Chorus)

**G** **C** **G** **C**  
 You're the one most likely to succeed  
**G** **Em** **Am** **D**  
 Just be sure to keep your head, 'cause girl, you know that's all you need  
**Em** **C**  
 Everyone around adores you  
**Am** **D**  
 Don't give up, the world is waiting for you

## Tell Laura I Love Her (Jeff Barry / Ben Raleigh) Key C

**C** **F**  
 Laura and Tommy were lovers,  
**C** **F**  
 He wanted to give her everything,  
**Am** **Dm**  
 Flowers, presents,  
**G** **G7**  
 And most of all a wedding-ring.

**C** **F**  
 He saw a sign for a stock-car race,  
**C** **F**  
 A thousand dollar prize it read.  
**Am** **Dm**  
 He couldn't get Laura on the phone,  
**G** **G7**  
 So to her mother Tommy said.

**C** **Dm**  
 Tell Laura, I love her, tell Laura, I need her,  
**C**  
 Tell Laura, I may be late,  
**Dm** **G** **C**  
 I've got something to do, that cannot wait.

**C** **F**  
 He drove his car to the racing ground,  
**C** **F**  
 He was the youngest driver there.  
**Am** **Dm**  
 The crowd roared as they started the race,  
**G** **G7**  
 Round the track they drove at a deadly pace.

**C** **F**  
 No-one knows what happened that day,  
**C** **F**  
 How his car overturned in flames.  
**Am** **Dm**  
 But as they pulled him from the twisted wreck,  
**G** **G7**  
 With his dying breath they heard him say.

**C** **Dm**  
 Tell Laura, I love her, tell Laura, I need her,  
**C** **Dm**  
 Tell Laura not to cry, my love for her –  
**G** **C**  
 Will never die.

**C** **F**  
 Now in the chapel Laura prays,  
**C** **F**  
 For her Tommy who passed away,  
**Am** **Dm**  
 It was just for Laura he lived and died,  
**G** **G7**  
 Alone in the chapel she can hear him cry.

**C** **Dm**  
 Tell Laura, I love her, tell Laura, I need her,  
**C** **Dm**  
 Tell Laura not to cry, my love for her –  
**G** **C**  
 Will never die.
