Trip Around The Sun Jimmy Buffett, Martina McBride

E7 Am Dm Dm/C/

Here 'em singing happy birthday. Better think about the wish I make

This year gone by ain't been a piece of cake

Every day's a revolution. Pull it together and it comes undone

Just one more candle and a trip around the sun.

I'm just hanging on while this old world keeps spinning

And it's good to know it's out of my control.

If there's one thing that I've learned from all this living

Is that it wouldn't change a thing if I let go.

No, you never see it coming. Always wind up wondering where it went.

Only time will tell if it was time well spent

It's another revelation. Celebrating what I should have done

With these souvenirs of my trip around the sun.

CHORUS

Am G F F E7-Am Dm/G/ C

Yes, I'll make a resolution. That I'll never make another one.

Just enjoy this ride on my trip around the sun.

Just enjoy this riiiiiiide till it's done.
