

End on C

Every Breath You Take (Sting)

803 ((B))

Intro: C Am F G Am (2x) (Chords for verse)

Every breath you take every move you make
 Every bond you break every step you take, I'll be watching you
 Every single day every word you say
 Every game you play every night you stay, I'll be watching you

Chorus:

Oh, can't you see, you belong to me
 How my poor heart aches, with every step you take

Every move you make, every vow you break
 Every smile you fake every claim you stake, I'll be watching you

Bridge:

Since you've been gone, I've been lost without a trace
 I dream at night I can only see your face
 I look around but it's you I can't replace
 I feel so cold I long for your embrace
 I keep crying baby, baby please

(Intro) + (Chorus)

Every move you make, every vow you break
 Every smile you fake every claim you stake, I'll be watching you
 Every move you make, every vow you break
 Every smile you fake every claim you stake, I'll be watching you
 I'll be watching you, I'll be watching you (4x)
