## A Matter of Trust (Billy Joel)

**Intro: C Am 2x**

**C Am**  
Some love is just a lie of the heart  
**C Am Em**  
The cold remains of what began with a passionate start  
**G7**  
And they may not want it to end  
**C**  
But it will, it's just a question of when

**C Am**  
I've lived long enough to have learned  
**C Am Em**  
The closer you get to the fire the more you get burned  
**G7**  
But that won't happen to us  
**C**  
Because it's always been a matter of trust

**C Am 2x**  
**C Am**  
I know you're an emotional girl  
**C Am Em**  
It took a lot for you to not lose your faith in this world  
**G7**  
I can't offer you proof  
**C**  
But you're gonna face a moment of truth

**C Am**  
It's hard when you're always afraid  
**C Am Em**  
You just recover when another belief is betrayed  
**G7**  
So break my heart if you must  
It's a matter of trust

**Dm**  
You can't go the distance  
**Em**  
With too much resistance  
**Dm G**  
I know you have doubts  
**Em F G7**  
But for God's sake don't shut me out

**C** **Am**  
 This time you've got nothing to lose  
**C** **Am** **Em**  
 You can take it, you can leave it whatever you choose  
**G7**  
 I won't hold back anything  
**C**  
 And I'll walk away a fool or a king

**C** **Am**  
 Some love is just a lie of the mind  
**C** **Am** **Em**  
 It's make believe until it's only a matter of time  
**G7**  
 And some might have learned to adjust  
**C**  
 But then it never was a matter of trust

**C Am 4x**

**Dm**  
 I'm sure you're aware love  
**Em** **Dm** **G**  
 We've both had our share of believing too long  
**Em** **F** **G7**  
 When the whole situation was wrong

**C** **Am**  
 Some love is just a lie of the soul  
**C** **Am** **Em**  
 A constant battle for the ultimate state of control  
**G7**  
 After you've heard lie upon lie  
**C**  
 There can hardly be a question of why

**C** **Am**  
 Some love is just a lie of the heart  
**C** **Am** **Em**  
 The cold remains of what began with a passionate start  
**G7**  
 But that can't happen to us  
**C**  
 'Cause it's always been a matter of trust

**C Am C (repeat to fade)**  
 It's a matter of trust,  
**C Am C**  
 It's always been a matter of trust

 F G Am  
 Autumn leaves must fall

 Am Em Dm  
 To say goodbye to you ooo,

## Best of My Love (Don Henley)

**Intro: C Dm (Chorus melody)**

**C Dm**  
Every night, I'm lying in bed, holding you close in my dreams

**C Dm**  
Thinking about all the things that we said, and coming apart at the seams

**Em Dm Em F G7**  
We try to talk it over, but the words come out too rough

**C Dm C G7**  
I know you were trying to give me the best of your love

**C Dm**  
Beautiful faces, and loud empty places, look at the way that we live

**C Dm**  
Wasting our time on cheap talk and wine, left us so little to give

**Em Dm Em F G7**  
That same old crowd was like a cold dark cloud that we could never rise above

**C Dm C G7**  
But here in my heart, I give you the best of my love

**Chorus:**

**C Dm**  
Oh-oh-oh ohhhh, sweet darlin', you get the best of my love

**C Dm**  
Oh-oh-oh ohhhh, sweet darlin', you get the best of my love

**Fm C**  
I'm going back in time and it's a sweet dream

**Fm Dm G7**  
It was a quiet night and I would be all right if I could go on sleeping

**C Dm**  
But every morning I wake up and worry, what's gonna happen today?

**C Dm**  
You see it your way, and I see it mine, but we both see it slipping away

**Em Dm Em Dm G7**  
You know we always had each other baby, I guess that wasn't enough; o-o-ohh

**C Dm C G**  
But here in my heart, I give you the best of my love

BARITONE

**(Chorus) [repeat & fade]**

## Big River (Johnny Cash)

**G**

Well I taught that weeping willow how to cry, cry, cry,

**A7 D7**

And I showed the clouds how to cover up a clear blue sky.

**G**

**C**

And the tears I cried for that woman are gonna flood you, Big River,

**G**

**D7**

**G**

Then I'm gonna sit right here until I die.

**G**

I met her accidentally in St. Paul, Minnesota,

**A7**

**D7**

And it tore me up every time I heard her drawl, that Southern drawl.

**G**

**C**

Well I heard my dream was back downstream, cavortin' in Davenport,

**G**

**D7**

**G**

And I followed you Big River when you called.

**G**

Then you took me to St. Louie, later on, down the river,

**A7**

**D7**

A freighter said she's been here, but she's gone, boy, she's gone.

**G**

**C**

I found her trail Memphis, but she just walked up the bluff,

**G**

**D7**

**G**

She raised a few eyebrows and then she went on down alone.

**G**

Now won't you batten down by Baton Rouge, River Queen roll it on,

**A7**

**D7**

Take that woman on down to New Orleans, New Orleans.

**G**

**C**

Go on, I've had enough, dump my blues on down to the Gulf,

**G**

**D7**

**G**

She loves you, Big River, more than me.

## Country Roads (Bill Danoff, Taffy Nivert & John Denver)

**C**                    **Am**  
 Almost heaven, West Virginia  
**G**                    **F**                    **C**  
 Blue Ridge Mountain, Shenandoah River  
                          **Am**  
 Life is old there, older than the trees  
**G**                    **F**                    **C**  
 Younger than the mountains, blowing like a breeze

### CHORUS:

**C**                    **G**  
 Country roads, take me home  
                  **Am**                    **F**                    **C**  
 To the place, I belong, West Virginia  
                  **G**                    **F**                    **C**  
 Mountain mama, take me home, country roads

**C**                    **Am**  
 All my memories gather round her  
**G**                    **F**                    **C**  
 Miner's lady, stranger to blue water  
                          **Am**  
 Dark and dusty, painted on the sky  
**G**                    **F**                    **C**  
 Misty taste of moonshine, teardrop in my eye

### (CHORUS)

**Am**                    **G**                    **C**  
 I hear her voice, in the morning hour she calls me  
                  **F**                    **C**                    **G**  
 The radio reminds me of my home far away  
                  **Am**                    **Bb**                    **F**  
 And driving down the road I get a feeling  
                  **C**                    **G**                    **G7**  
 That I should have been home Yesterday, yesterday

### (CHORUS) 2X

**G**                    **C**

## Did She Mention My Name (Gordon Lightfoot)

**G** **C** **Am**  
 It's so nice to meet an old friend, and pass the time of day,

**D** **D7** **G**  
 And talk about the hometown, a million miles away,

**C** **Am**  
 Is the ice still in the river, are the old folks still the same,

**D** **G**  
 And by the way, did she mention my name?

**C** **D** **G** **Em**  
 Did she mention my name, just in passing, and when the morning came

**A7** **D** **D7**  
 Do you remember if she dropped a name or two?

**G** **C** **Am**  
 Is the home team still on fire, do they still win all their games,

**D** **D7** **G**  
 And by the way, did she mention my name?

**G** **C** **Am**  
 Is the landlord still a loser, do his signs hang in the hall,

**D** **D7** **G**  
 Are the young girls still as pretty in the city in the fall?

**C** **Am**  
 Does the laughter on their faces still put the sun to shame,

**D** **D7** **G**  
 And by the way, did she mention my name.

**C** **D** **G** **Em**  
 Did she mention my name just in passing, and when the talk ran high,

**A7** **D** **D7**  
 Did the look in her eye seem far away,

**G** **C** **Am**  
 Is the old roof still leaking, when the late snow turns to rain,

**D** **D7** **G**  
 And by the way, did she mention my name?

**C** **D** **G** **Em**  
 Did she mention my name just in passing, and looking at the rain,

**A7** **D** **D7**  
 Do you remember if she dropped a name or two?

**G** **C** **Am**  
 Won't you say hello from someone, there'll be no need to explain,

**D** **D7** **G**  
 And by the way, did she men - tion my name?

## Intro: C F (3x)

**C** **Bb**  
Love is but a song we sing, fear's the way we die

Though the bird is on the wing, you may not know why

## CHORUS:

Come on people now, smile on your brother

Some may come and some may go, you will surely pass

When the one who left us here, returns for us at last

We are but a moment's sunlight, fading in the grass...

In the summertime when the weather is high,  
You can stretch right up and touch the sky,  
**F**  
When the weather is fine, you got women,  
**C**  
You got women on your mind.

**G**  
Have a drink, have a drive,  
**F** **C**  
Go out and see what you can find.

**C**  
If her daddy's rich, take her out for a meal,  
If her daddy's poor, just do as you feel.

Speed along the lane,  
Do a ton or a ton and twenty-five.  
**G**  
When the sun goes down,  
**F** **C**  
You can make it, make it good in a lay-by.

**C**  
We're no threat, people, we're not dirty, we're not mean,

We love everybody but we do as we please.

**F**  
When the weather is fine,

We go fishing or go swimming in the sea.

 Go, Johnny B. Goode

**C**  
 He used to carry his guitar in a gunny sack  
 Go sit beneath the tree by the railroad track  
**F**  
 Oh, the engineers would see him sitting in the shade  
**C**  
 Strumming with the rhythm that the drivers made  
**G**  
 People passing by they would stop and say  
**C** **F** **C**  
 Oh my that little country boy could play

**(Chorus)**

**C**  
 His mother told him "Someday you will be a man,  
 And you will be the leader of a big old band.  
**F**  
 Many people coming from miles around  
**C**  
 To hear you play your music when the sun go down  
**G**  
 Maybe someday your name will be in lights  
**C** **F** **C**  
 Saying Johnny B. Goode tonight."

**(Chorus)**

## Intro: Chords for last 3 lines of chorus

**C**  
 There's a reason for the sunshiny sky  
 There's a reason why I'm, feeling so high  
**G** **C**  
 Must be the season when those love lights shine all around us

 And then go stealing through the moonlit night with your lover

## Chorus:

**F**  
 Just let your love flow like a mountain stream

 And let your love grow with the smallest of dreams  
**G** **C** **C7**  
 And let your love show and you'll know what I mean- it's the season  
**F**  
 Let your love fly like a bird on the wing  
**C**  
 And let your love bind you to all living things  
**G** **C**

**C**  
 There's a reason for the warm sweet nights  
 And there's a reason for the candle lights  
**G** **C**  
 Must be the season when those love lights shine all around us  
 So let that wonder take you into space  
 And lay you under its loving embrace

# Mammas Don't Let Your Babies Grow Up To Be Cowboys

Written by Ed and Patsy Bruce, Recorded by Willie Nelson

## Chorus

**C** **F**  
Mammas don't let your babies grow up to be cowboys

**G7**

Don't let them pick guitars and drive in old trucks

**C**  
Make 'em be doctors and lawyers and such

**C** **F**  
Mammas don't let your babies grow up to be cowboys

**G7**

They'll never stay home and they're always alone

**C**  
Even with someone they love

**C** **F**  
1. Cowboys ain't easy to love and they're harder to hold

**G7**

**C**

And they'd rather give you a song than diamonds or gold

Lone Star belt buckles and old faded Levis

**F**

And each night begins a new day

**G7**

And if you don't understand him and he don't die young

**C**

He'll probably just ride a-way. **Chorus**

**C** **F**  
2. A cowboy loves smokey old pool rooms and clear mountain mornings

**G7**

**C**

Little warm puppies and children and girls of the night

Them that don't know him won't like him

**F**

And them that do sometimes won't know how to take him

**G7**

He's not wrong he's just different and his pride won't let him

**C**

Do things to make you think he's right. **Chorus**

## Mountain Dew (William York)

**G**  
There's a big holler tree  
**G7**  
Down the road here from me  
**C** **G**  
Where you lay down a dollar or two  
Well you go round the bend  
And when you come back again  
**D7** **G**  
There's a jug full of good ole mountain dew

### Chorus:

**G** **G7**  
Oh they call it that ole mountain dew

And them that refuse it are few

He's sawed off and short  
**C** **G**

But he thinks he's a giant  
When you give him a pint  
**D7** **G**  
Of that good ole mountain dew

Well my ole aunt June

You may think I'm fooling, for the foolish things I do  
You may wonder how come I love you, when you get on my nerves like you do

**G**  
And they tempt you with the pleasures, that the flesh does surely hold

## Ripple (Robert Hunter / Jerry Garcia)

### Intro: Instrumental verse

**G** If my words did glow with the gold of sunshine  
**C**  
 And my tunes were played on the harp unstrung  
**G**  
 Would you hear my voice come through the  
**C**  
 music?  
**G** **D** **C** **G**  
 Would you hold it near, as it were your own?

**G** **C**  
 It's a hand-me-down, the thoughts are broken  
**G**  
 Perhaps - they're better left un-sung  
**C**  
 I don't know, don't really ca-re  
**G** **D** **C** **G**  
 Let - there be songs to fill the air

### Chorus:

**Am** **D**  
 Ri - pple in still water  
**G** **C**  
 When there is no pebble tossed  
**A7** **D**  
 Nor wind to blow

**G** **C**  
 Reach out your hand - if your cup be empty  
**G**  
 If your cup is full may it be again  
**C**  
 Let it be known, there is a fountain  
**G** **D** **C** **G**  
 That was not made by the hands of man  
**G** **C**  
 There is a road, no simple highway  
**G**  
 Between - the dawn and the dark of night  
**C**  
 And if you go, no one may follow  
**G** **D** **C** **G**  
 That path is for your steps alone

### (Chorus)

**G** **C**  
 You who choose - to lead must follow  
**G**  
 But if - you fall, you fall alone  
**C**  
 If you should stand, then who's to guide you?  
**G** **D** **C** **G**  
 If I knew the way, I would take you home

## River (Bill Staines)

**G** **C** **G**  
I was born in the path of the winter wind  
**D7**  
I was raised where the mountains are old  
**G** **C** **G**  
Their springtime waters came dancing down  
**D7** **G**  
And I remember the tales they told

**G** **C** **G**  
The whistling ways of my younger days  
**D7** **Dm**  
Too quickly have faded on by  
**G** **C** **G**  
But all of their memories linger on  
**D7** **G**  
Like the light in a fading sky

### Chorus:

**G** **D7** **G** **D7**  
Ri-ver, take me along in your sun-shine, sing me  
your song  
**C** **G**  
Ever mo-ving and winding and free  
**C** **G** **C** **G**  
You rolling old river, you changing old river  
**C** **D7** **C** **G**  
Let's you and me, river, run down to the sea

**G** **C** **G**  
I've been to the city and back again  
**D7**  
I've been moved by some things that I've learned  
**G** **C**  
Met a lot of good people and I've called them  
**G**  
friends  
**D7** **G**  
Felt the change when the seasons turned  
**G** **C** **G**  
I've heard all the songs that the children sing  
**D7**  
And listened to love's melodies  
**G** **C** **G**  
I've felt my own music within me rise  
**D7** **G**  
Like the wind in the autumn trees

### (Chorus)

**G** **C** **G**  
Someday when the flowers are blooming still  
**D7**  
Someday when the grass is still green  
**G** **C** **G**  
My rolling waters will round the bend  
**D7** **G**  
And flow into the open sea  
**G** **C** **G**  
So, here's to the rainbow that's followed me here  
**D7**  
And here's to the friends that I know  
**G** **C** **G**  
And here's to the song that's within me now  
**D7** **G**  
I will sing it wherever I go

### (Chorus)

**C**  
Rock and roll music any old way you choose it  
**F** **C**  
It's got a back beat, you can't lose it - Any old time you use it  
**G7** **C**  
It's gotta be rock and roll music - If you wanna dance with me  
**G7** **C (STOP)**  
If you wanna dance with me

**TACET** **G7**  
Way down south they gave a jubilee  
**G7** **C**  
And Georgia folks, they had a jamboree  
**F**  
They're drinkin' home brew from a wooden cup  
**G7**  
The folks dancin' got all shook up  
**G7**  
And started playin' that...

**C**  
Rock and roll music any old way you choose it  
**F** **C**  
It's got a back beat, you can't lose it - Any old time you use it  
**G7** **C**  
It's gotta be rock and roll music - If you wanna dance with me  
**G7** **C (STOP)**  
If you wanna dance with me

**TACET** **G7**  
Don't get to hear 'em play a tango  
**G7** **C**  
I'm in no mood to take a mambo  
**F**  
It's way too early for the congo  
**G7**  
So keep on rockin' that piano  
**G7**  
That's why I go for that

**C**  
Rock and roll music any old way you choose it  
**F** **C**  
It's got a back beat, you can't lose it - Any old time you use it  
**G7** **C**

 Ain't no smoggy smoke on Rocky Top  
**Am** **G** **C**  
 Ain't no telephone bills

**C** **F** **C**  
 Once I had a girl on Rocky Top  
**Am** **G** **C**  
 Half bear, other half cat

And it (sh!) upon the head of the little grocer man,

## The Fox (Traditional)

**Intro: F C G7 C**

Oh, the fox went out on a chilly night, prayed for the moon to give him light  
 For he had many a mile to go that night, before he reached the town-o, town-o, town-o  
 Many a mile to go that night before he reached the town-o

Well, he ran till they came to the great big pen, where the ducks and the geese were kept therein  
 He said, "A couple like you are gonna grease my chin, before I leave this town-o, town-o, town-o"  
 Said, "A couple of you are gonna grease my chin before I leave this town-o"

He grabbed the gray goose by the neck, threw the ducks across his back  
 And he didn't mind the quack, quack, quack, and the legs all danglin' down-o, down-o, down-o  
 He didn't mind the quack, quack, quack, and the legs all danglin' down-o

Then old mother Flipper Flopper jumped out of bed, out of the window she popped her head  
 Cryin', "John, John, the gray goose is gone and the fox is on the town-o, town-o, town-o"  
 John, John, the gray goose is gone and the fox is on the town-o

**BARITONE**

John, he ran to the top of the hill, blew his horn, both loud and shrill  
 The fox he said, "I better flee with my kill, for they'll soon be on my trail-o, trail-o, trail-o"  
 The fox he said, "I better flee with my kill, for they'll soon be on my trail-o"

Well, he ran till he came to his cozy den, there were his little ones, eight, nine, ten  
 Cryin', "Daddy, daddy, better go back again, 'cause it must be a mighty fine town-o, town-o, town-o"  
 Daddy, daddy, better go back again, 'cause it must be a mighty fine town-o"

Then the fox and his wife without any strife, cut up the goose with a carving knife  
 They never had such a supper in their life, and the little ones chewed on the bones-o, bones-o, bones-o  
 They never had such a supper in their life, and the little ones chewed on the bones-o

 You are my sunshine, my only sunshine.

 You'll never know dear, how much I love you.

**C** **C7**  
 The other night, dear, as I lay sleeping  
**C** **F** **C**  
 I dreamed I held you in my arms.  
**F** **C** **Am**  
 When I awoke dear, I was mistaken  
**C** **G7** **C**  
 And I hung my head and cried.

## (Chorus)

**C** **C7**  
 I'll always love you and make you happy  
**C** **F** **C**  
 If you will only say the same

 You'll regret it all some day

## (Chorus)

**C** **C7**  
 You told me once dear, you really loved me,  
**C** **F** **C**  
 And no one else could come between,

 But now you've left me and love another,  
**C** **G7** **C**  
 You have shattered all my dreams

## (Chorus)

**C** **G7** **C**  
 Please don't take my sunshine away.
